**Postage rates** (for parcels up to 10 items):

First 78 = \$3.50; next two 78s = 50¢ each.

First LP = \$2.50. Each additional 78 or LP = 25¢.

Domestic via UPS:

1st 78 = \$4.00. Each additional 78 = 50¢.

1st LP = \$3.50. Each additional LP = 25¢.

Foreign: we will bill you the rate for your country. (example: a parcel of fifteen 78s to Japan would be \$35 via surface mail, \$90 via airmail.)

**Mailing list policy:** To remain on our mailing list, we require that you attempt to order from at least one of the first 3 lists you receive, and at least once every 6 lists thereafter.

**Grading:** The general condition of records is carefully assessed according to the following grading codes. Specific flaws receive individual comment.

- FS Factory-Sealed LP.
- A+ As new: looks mint.
- A Excellent: clean used copy.
- AA- Unworn copy with a few harmless rubs, etc.
- A- Very Good: minor traces of use and wear.
- A-B+ Between A- and B+.
- B+ Good: Light wear &/or light scratches.
- B+B Between B+ and B.
- B Fair: Moderate wear &/or moderate scratches.
- BB- Between B and B-.
- B- Poor: Heavy wear &/or heavy scratches.

Split grades, eg. B+/B, indicate that the condition of one side is different from the other(s).

**Cover grade:** Sleeves, boxes and albums of LPs, 45s and 78 sets are graded separately by means of a numerical grade that comes after the record grade. The grades are as follows: 1=excellent; 2=minor flaws; 3=moderate wear; 4=poor. + & - symbols modify the basic grade for slightly better or worse.

**Abbreviations for LPs:**

The following symbols after the record number indicate: \* = stereo recording; \*e = electronic stereo; \*D = Digital recording; \*d = digital remastered from analogue recording; \*Q = quadrophonic recording. All others are mono.

Cut out: these words in the listing indicate that the sleeve or box has either a small corner cut off, a slit or notch cut in the side, or a small hole punched through.
